

## Costa Gives Shoes To Fifty Children

Thomas Costal, owner of the Tryon Fuel Supply is giving away fifty pairs of shoes as a Christmas present to needy school children of Tryon, Lynn and Columbus. The children have been going to Jackson's and being measured for properly fitted shoes. Mr. Costa had planned to have these shoes distributed on Christmas but he found some of the children in such great need that he gave them the shoes immediately so that they could attend school. He is hoping they will find a way to get stockings and other clothing that they need. The shoes will be given to 25 boys and 25 girls. Miss Helen Stearns is chairman of the committee of ladies to distribute the shoes.

## Kiwanians to Give Christmas Baskets

The Tryon Kiwanis club at its meeting on Tuesday subscribed about \$45 to buy Christmas baskets of food, fruit and nuts for distribution to some needy families in this section on Christmas Eve. This is an annual custom of the local club. \$130 was raised for this purpose last year and 65 baskets were distributed. A number of members haven't subscribed to the fund and the \$45 is expected to be increased considerably.
