Christmas Cards

When you select Christmas cards, remember one thing: Christmas Cards are messages of Good Will. Their success is measured by the sentiment they express. Therefore, they should be chosen with utmost care. Help us promote the real "Spirit of Good Will Toward Men" by remembering everyone of your friends this year. You are invited to see the 1938 card display. It is truly the best we've ever offered.

of Electric Refrigeration

The steadily rising cost of food adds another very good reason to the long list of why every housewife should own an Electric Refrigerator. In addition to the convenience, satisfaction and health assurance which this modern appliance has made possible in the actual dollars and cents savings it affords. Electricity to operate an Electric Refrigerator costs so little that this expenditure can more than be made up in the greater amount of saving on your weekly food bill.
