an automobile until he was worth \$125,000 objects to the adjective "millionaire" aviator in the Bulletin item about Howard Hughes' flight around the world. He thinks people should be known by their deeds and not by the amount of money they have. He exhibits the Wall Street Journal which doesn't refer to people as millionaires. Mr. Jackson is right. We all ought to have a million dollars each so that it wouldn't be a news item. One reason the Wall Street Journal doesn't mention millionaires is because all its readers are supposed to be so wealthy that a million dollars is common. Whenever I get in the bank a hundred dollars that doesn't belong to my creditors I'm going to get an automobile. Just as a little pinch of salt brings out the best flavor in food so does a little pinch of the J. N. Jackson philosophy bring out the best in us. It makes us appreciate the real things of life, be thrifty, conservative, good hearted and friendly. A lovable quality, but use it like salt. Don't take more than a pinch.

Church Tour In August

The tour of the country churches by the Garden club committee will be made on August 3rd or 4th. This committee will judge the flowers and grounds to determine the winner of the Garden club award. Anyone eager to make this tour with the committee may notify Miss Mae Irene Flen-tye as soon as possible.

Collett Hodge of Mill Spring is in St. Luke's hospital for an operation.

SAVE DOLLARS

By the Day With

Electric Refrigeration

As contradictory as it sounds, you save money by buying a modern electric refrigerator! If you will give us the opportunity, we can show you that you can pay for your new refrigerator with your housekeeping budget, without cutting down on your family's meals. The actual money you save by buying in larger quantities and taking advantage of week-end specials in meats and vegetables, makes the payments on your refrigerator furnishing you all the ice you need at the same time. Let us prove this to you!
