

ENTERED AS SECOND-CLASS MATTER AUGUST 20, 1928, AT THE POSTOFFICE  
AT TRYON, N. C. UNDER THE ACT OF CONGRESS, MARCH 3, 1879

# THE TRYON DAILY BULLETIN

*The World's Smallest Daily Newspaper, Seth M. Vining, Editor.*

Vol. 15, Est. 1-31-28

TRYON, N. C., WED., JUNE 24, 1942

## GASOLINE RATIONING

Registration for the new Gasoline Rationing program will be held at the school sites on July 9, 10, and 11th. Watch for further announcements as to exact place and hours of registration. The new plan of operation goes into effect July 22nd.

The car registration card plays an important part in this new registration and the Polk County Rationing Board urges all car owners who do not have a current and correct registration card to apply for a duplicate NOW. This applies to all cars, passenger and truck.

All passenger automobiles (with few exceptions) will be entitled to a basic "A" card upon application. Motorcycles will on the same basis be entitled to a "D" card. Only the basic "A" card and the "D" card will be issued at the school sites.

In addition to the basic cards there will be the following gasoline ration coupon books:

"B" books for a limited occupational ration.

"C" books for an essential occupational ration.

"S-1" and "S-2" books for a service ration. This will be largely for trucks, buses, ambulances and a very few passenger automobiles.

"E" and "R" books for all non-highway uses of gasoline. This is for tractors and farm implements, cleaners, etc.

Applications for the "B", "C", "S-1", "S-2", "E" and "R" books will be available at the school sites or at the offices of the Polk County Rationing Boards. These

## COMMUNICATIONS

Mrs. James R. Trowbridge,  
Chairman Flag Committee,  
Tryon, N. C.

Dear Mrs. Trowbridge:

Please accept my apology for the failure to send a message of congratulations as suggested in connection with the presentation of the Flags of the United Nations to the Town of Tryon. This is a most excellent idea and I would have been happy to commend it. My secretary did not feel at liberty to compose a message in my absence. I was in the country in North Carolina taking a little rest and he could not reach me.

I am very grateful for the vote I received in Tryon and also in Polk County,—1,562 as against 569.

With all good wishes,

Very truly yours,  
J. W. Bailey.

## Wisconsin Governor To Visit In Tryon Tonight

Governor Julius Heil and Mrs. Heil, friends of Dr. Louis Fuldner, and Henry C. Fuldner, chairman of the Wisconsin Labor Relations Board, and Mrs. Fuldner, will arrive in Tryon for an overnight visit with Mr. Fuldner's brother, Dr. Louis Fuldner and Mrs. Fuldner. Governor Heil and Mr. Fuldner have been attending the Governors' conference in Asheville.

● An Illinois soybean plant recently established a new record by crushing 7,000 bushels of beans and producing 9,000 gallons of soybean oil daily for an entire month.
