## INDIAN ACTION?

Now, Gandy, gird your panties  
fight,

And don your thinking-cap,  
And let the world see what YOU  
do

To down the wily Jap!  
I dread the day when they pile in  
And kill your sacred cows,  
And turn them into Irish stew,  
And not just out to browse,  
And when thy hang on TajMahl's  
Fair walls their flag of hate,  
You'll find your fine passivity  
Was laid aside too late!
