## Woman Interned By Japs To Speak Here Friday

Fred Owen, who has charge of the Tryon Rotary club program Friday at Sunnydale says that he has secured Miss Bertha Smith to be the chief speaker. Miss Smith, who is a sister of C. O. Smith of Landrum, has been a missionary to China for about 25 years. She returned to this country some weeks ago on the same ship with Ambassador Joseph Grew and other Americans who were interned by the Japanese, and who were fortunate to be exchanged for some Japs in the United States. Miss Smith is now making her home at Cowpens, S. C.
