A Merry Christmas To All

Over 100 additional friends have joined those already reported in contributing to the Trade Street Christmas Decorations. They report the lighted trees are beautiful and are happy to have a part in wishing everyone a Merry Christmas. The goal has almost been reached and very little money is needed now thanks to a surplus of \$28 left over from last year, as well as saving of much of last year's equipment. Any funds left over from this year will be saved for next year.
