## THE EXCHANGE OPENS

St. Luke's Hospital Auxiliary is in business! Tomorrow, The Exchange will open its doors to the public. The new shop in the Preston building has been set in order; new shelves have been installed; tables and chairs added. Mrs. Wm. T. Capers Jr., who will manage the shop, will be on hand at the opening hour, 10 a. m., to welcome prospective buyers. Mrs. James Waller Marshall, chairman of the Policy Committee, will attend in an advisory capacity and volunteers will assist in the sales.

Over the past week, many important items have been brought to the shop to be sold. This is the initial period, however, and it will take time to build up a complete stock. No one need be discouraged if the article they are seeking is not immediately available. Meanwhile, there will be scores of bargains for those who know values.

Make it a habit to stop in at The Exchange any Tuesday, Thursday or Saturday from 10 to 4 p. m.—Contributed.
