Communication

Saluda, N. C.

To Property Owners and Citizens:

May I take this opportunity to alert our citizens and property owners to a most dangerous movement now underway. I refer to the BUILDING CODE ORDINANCE of POLK COUNTY NORTH CAROLINA now to be presented to the citizenry at a public hearing Feb. 11, 1980 at 3 p.m. at the Courthouse.

After reading and re-reading this proposed ordinance, it is of great concern to me that many of our very basic rights are in serious jeopardy. Among many points I must take issue one of the most ominous is the right of yours and mine to construct our own home.

Please take the time to study this instrument prior to this important public hearing and come prepared to let your feelings be known. Our government representatives listen and, I believe, respond to sensible reactions and requests from us. **WE MUST NOT LET THIS CHERISHED AMERICAN RIGHT GO UN-DENIED!**

Thank you,
George H. Derwort,
