Reception To Honor Dot Owens

A reception honoring retiring Polk County School Food Services Supervisor Dot Owens will be held at Mill Spring School on Sunday, June 7, from 3—5 p.m. All friends and co-workers are invited.

Born in Ellenboro, Mrs. Owens (the former Dot Lynch) grew up in Mill Spring and joined the county school system as lunchroom manager at Mill Spring High School in 1952. In 1960 she transferred to the newly opened Polk Central High School, where she managed food services for 12 years. In 1971, she was promoted to the position of Food Services Supervisor, overseeing the lunch program at all six county schools.

The nutritional services her department has helped to develop include Federal Type A lunch guidelines which guarantee children one-third of their nutritional requirements of their noon meal; the elementary school breakfast program; and a high school salad bar.

She retired this month after 30 years, "having contributed greatly to the organization and nutritional purpose of our lunch program", says School Superintendent Larry Coble. "I take with me", says Mrs. Owens, "many, many fond memories."
