Communication

To The Editor:

Next Friday, June 12, 1981, the Polk County Commissioners will hold a public hearing on the budget presented by the county manger last week.

I urge you to attend this meeting and speak up to let the commissioners know how you feel about the proposed budget and tax levy.

Do you want all services continued or do you think some services should be eliminated or cut down? Do you think school budgets should be increased for the coming year?

This Board of Commissioners wants to do what the majority of the people want so we need your input. Your opinion is important. Please come to the courtroom at 12 noon.

Thank you.

Sincerely,

Ralph H. Arledge, Chairman
Polk County Board
Of Commissioners
