Tryon Taxes Up 7c; Out Of Town Water Up \$1 Each 1,000 Gals.

The proposed FY 1981/82 Budget for the Town of Tryon calls for a tax increase from 0.40 cents per \$100.00 of assessed value to 0.47 cents per \$100.00 of assessed value. The loss of some \$23,219.00 from Polk County for participation in the Tryon Communications Center accounts for the major need to increase Town revenues. The Town Board of Commissioners has determined that it is in the best interests of the citizens of the Town of Tryon to continue the Tryon Communications Center to answer calls and dispatch for the Police Department, Fire Department and Public Works Departments. Other losses in revenue to the General Fund include decrease in distribution of ABC profits.

The proposed FY 1981/82 Budget includes new water rates for residential customers outside Town limits. These water rates will be increased by approximately 14%. The Town Budget is available for public inspection at Town Hall during regular business hours. The scheduled Public Hearing on the FY 1981/82 Budget is Monday, June 29th at 7:00 p.m. at Town Hall.
