Gospel Group

# Will Observe 1st Anniversary

The Christian Disciples will hold their first Anniversary Celebration at the Saints Homes United Methodist Church located at 1390 Thurmond St. on Sunday, Sept. 15 at 4 p.m.

The Christian Disciples cordially invite the citizens of Winston-Salem to join with them. in their celebration.

As their first anniversary implies, the group is relatively new. How they got started is an interesting and warm tale.

One never knows what may develop from a chance meeting or passing encounter. Out of just such a meeting- the NAACP Convention in Indianapolis, Ind. in July 1973 - came "The Christian Disciples." For it was there that Darryl Swyggert of Winston-Salem and Dennis Oliver of Moberly, Missouri met and became friends.

On August 3, 1973, Dennis came to Winston-Salem to visit Darryl and during his visit he met Christopher Murrell. Like most teenagers, in passing the time away, the young men began listening to record albums and singing along with the music. Daryl's brother, Adrian, came along and joined the singing.

The Swyggert boys' mother, Mrs. Peoples, was so impressed with their singing that she suggested they sing at the church service the following Sunday. Securing the pastor's permission for this addition to the program, the four fellows were introduced as the "Disciples" and sang two selections; "I Don't Know Why" and "It Won't Be Long."

After hearing such a glowing report, the group was later invited to sing at Friendship Baptist Church, where they made

their first public appearance; Oct. 7, 1973. For this momentos occasion, Dennis flew in; all the way from Moberly. Though still using record accompaniment, the "Disciples" thusiastically received and were asked to do several encores.

From this nucleus of four began the "Christian Disciples", a group of seven dedicated men with a unique singing style of five part harmony.

Realizing the need of an accompanist in order to coninue to sing and progress, the group was introduced to a Robert (Bobbie) Ervin and his brother, Michael of Eden. Bobbie became their organist and Michael joined the group. It was at this time that the group added "Christian" to their

A short time later, Mr. Ashley Coffin of Reidsville joined the group.

The "Christian Disciples" became well organized and began travelling in and around Winston-Salem; lifting their voices to God in song.

With the help of God and the support of some very wonderful people, they have appeared in many churches in Winston-Salem, Reidsville and Eden. They have also appeared at Carver High School and the Memorial Coliseum. Appearances out of state include; Moberly, Missouri; Decatur, Ala.; Ridgeway, Danville and Martinsville, Va.

The "Christian Disciples" are now about to undertake their second big step-recording. They are presently engaged in making preparations to do their first album which will consist mostly of songs of their own composition and arrangement.
