

Rams Blitz Morris Brown 45-17

On Saturday at Bowman Gray Stadium the Winston-Salem State Rams put on a show of offensive and defensive skills that was hard to believe as they trounced the Morris Brown Wolverines 45-17 to the delight of 7,000 Ram students, alumni, and fans.

On their first possession Morris Brown moved to the Ram 26 yard line behind the passing of Joseph Polite. The Ram defense stiffened James Banks kicked a 42 yard field goal for a 3-0 lead.

The Rams on first possession, marched down the field and Chico Dunlap ran 28 yards for the touchdown giving the Rams the lead 6-3.

Still in the first period, McClary, with the running game clearly established, found Authur Mason for a 48 yard scoring pass. The quarter ended with the Rams leading 19-3 after Jerome McDaniel split the uprights with the extra point.

In the second quarter, the Rams continued to move the ball almost at will. McClary continued to hit receivers, George Gordon and Authur Mason, with passes in the Ram secondary.

With a 1st down on the Wolverine 13, McClary sent fullback John Connally straight up the middle. The 215 lb. senior barreled into the endzone giving the Rams a 25-3 halftime lead.

In the third quarter, the Rams came out smoking again. Dunlap ran the sweep to perfection and Connally bulled up the middle.

The Rams moved to the Morris Brown four but were stopped on three running plays. On 4th down, McClary did the unexpected. He rolled out and passed to George "Fireball" Gordon for the score. The Rams led 31-3.

Morris Brown's quarterback Joseph Polite, began to pass in desperation. He completed only 13 of 32 on the day and

suffered 3 interceptions. Late in the third quarter he passed 21 yards to his favorite receiver, Harold Merkerson, for a touchdown. The quarter ended with the Rams in command 31-9.

In the final period, the Rams continued to romp up and down the field. McClary passed for yet another score; this one covering 11 yards to George Macklin. George entered the game after Authur Mason was ejected on an unsportsmanlike conduct call.

Late in the game Morris Brown scored on a freak play. Polite passed to Merkerson who fumbled at the Ram 15. Robert Evans, the Wolverine tight end, scooped the ball up on the dead run and went in for the score. Polite passed to Evans for the two point conversion but it was too little to late as the Rams triumphed 45-17.

Campaigning For Christ: A Way Of Life

If you find one day that you just can't keep your mind on things or you're slightly unable to concentrate, don't panic. It just might be the Lord trying to tell you something.

That happened to a man here about six years ago. "I didn't know what to think," said Elder T.R. Rice in a recent interview. "If God has something for you to do, He'll needle your mind until you do it." Elder Rice said that God deals with people through the mind.

A long time ago, he recalled, "I'd really try to read and understand the Bible but just couldn't." As soon as he said, "yes" to the Lord, "it became as simple as reading the newspaper." He summed it all up nicely:

"Had I known then what I know now, things wouldn't be the same." He felt a lot of times that there was no hope, as many people do these days, but now "I have someone (God) to talk to...some consolation."

Elder Rice radiates faith and compassion when he talks. A small man physically, he is a giant at heart. It doesn't take long to sense when a person believes what he is saying and Elder Rice is the epitome of belief. I asked him to tell me how it feels to believe as he does. He explained in a very short but understandable way:

"Believing in Christ is like believing that a chair will hold you up when you pull it from the table to sit in it. You never have doubts about that. And that's the same thing that must happen when believing in Christ." Who can argue that.

Elder Rice, pastor of the Kimberley Park Holy Church, is about to begin his "Campaign for Christ". He said it really is a crusade but there are differences. "The vision God gave me is a little different," he said. "The vision God gave me is to go back as near as possible to the old church days." The day the church was born, he explained, which is called the Day of Pentacost.

"No reflection on anybody's church," he said with a smirk, "but it seems that churches are getting away from it now. The Bible says that in that day and time the ones that had shared with the ones that didn't have. People that had no place to stay were taken in by those who did."

"Seems to me that churches are operating more like a business. They're trying to see how much they can take in, but they give nothing out."

He reckoned that if churches in Winston-Salem and throughout the country were to go back as near as possible to the old church days, "there'd be no need for the Welfare Department." He believes that with enough support he will be able to go back as near as possible to the old church days.

"I may not be able to hand out dollar bills, but we will be able to give some people jobs...they won't have to beg."

The Campaign begins Nov. 18 and will last through Nov. 23. "We'll be praying for the sick," the 35 year-old father of five said. In addition, "we will be trying to win some souls over to Christ."

With an air of complete confidence Elder Rice turned slowly in his chair and through eyes filled with conviction, said: "If the public would unite with me in carrying out God's will, then there is no doubt I can carry you to the mountain top."

confirm the man's employment. He was told that the man he sought did not work there. Failing to locate the man at his alleged address, Walker contacted the police and a warrant was issued.

There has been no arrest in the case as yet, but a police spokesman said that they know who the man is and is looking for him in another similar case.
