Because of this situation, the Better Business Bureau

suggests that you heed the warnings recently issued by the Securities and Exchange Commission (SEC) and other concerned federal agencies.

They recommend purchasers obtain as much information as possible about companies they plan to deal with. It's a good idea to call the BBB to check a company's reputation.

Widow Leaves A&T

\$68,000

Mrs. Claranette Doak Brock, a W. H. Hensboro native and life long resident of Mt. Olive has donated \$68,000 to Shaw University in the form of a bequeath.

Mrs. Brock, long-time funeral home proprietor, was married to the late Cliffeious Brock.

She received her education at Bennett High School (now Bennett College) and an undergraduate degree at A&T State University.

The check was presented to Shaw officials by Mrs. Brock's nephew Thomas L. Carter. Carter said, "my aunt was a loving and giving person. She believes in helping those less fortunate."

Shaw University plans to establish a scholarship fund in honor of Mrs. Brock.

"Sunshine"

Sunshine is sometimes a lot of satisfying to the soul, unnoticed light, Sunshine is beautiful and it Sunshine is responsible for has no system or control, making people look bright, Sunshine is sometimes ignored but to me it is out of sight.
