## 25 Annual Variety Show Is Near

Final preparations are being formulated for the 25th Anniversary Celebration of the Atkins Show to be held on February 14, 1975 at Carver School Auditorium and February 15, 1975 at Reynolds Auditorium at 8 p.m.

This year's Variety Show which has all of the ingredients for being one of the best shows ever presented has added a new dimension with the North Carolina School of the Arts thirty-piece orchestra providing the musical backup.

Many local notables have emerged from past Atkins Variety Shows, such as Willie Feaster and the Magnificents, recording artist for All Platinum record company, Wesley Johnson of the internationally acclaimed Aridales, based in Europe, and more recently the Fabulous Opus VII, the electrifying Eliminators and the never aging, omi-present Gore and the Upsetters.

Previous shows with jam-packed audiences in Atkins High School gymnasium have been stirred to hand clapping and foot stomping the superb local talent.

Judging from these past experiences, those present can be assured that they are being entertained by stars of tomorrow.

Final auditions will be held Saturday, January 25 at the Toronado Club on Liberty Street at 3 p.m.
