## Our Daily Bread

Evag. Pat Cunningham

Dear Ones, when God begins to bless you with both spiritual and material gains and shower you with needful things yet holding tight to the reins. In Malachi 3:10, He said bring, me all your tithes I want the offerings from your heart to have in my store House. He promise to shower you with blessings that your barns would over flow. But don't let your hearts get set on goods, keep yourselves humble and low. Remember Jesus is the giver of gifts, He can do all that He will to do, keep praising and thanking Him everyday, seek Jesus first and He'll give these things to you. St. Luke 12:22...

Dear ones, Praise the Lord! This is now a season in some of our lives for blessings. As God bestows His blessing upon you. Praise Him and continue to seek His face. Let us stay meek and humble at Jesus feet. He may use us at all times anywhere. Don't set your heart on the riches, But

rather on Jesus. Be thankful, but keep your heart and mind on Him. For we know that these things will soon pass away, and what will it profit a man to gain the work/world and lose his soul?

May God keep your mind till next time.

## Denture problems?

OraFix holds dentures better because it spreads better.

Tests prove OraFix\* spreads better than the other leading denture adhesives — cream or plastic. Other adhesives can leave gaps between dentures and gums. So food particles and air can get in causing dentures to slip. But OraFix spreads better so it can fill even tiny gaps. Result? OraFix seals and holds dentures tight.

OraFix, EVERYDAY, FOR THE SEAL OF CONFIDENCE.™
