

# "My savings account still comes with a passbook. Does yours?"

"There are a lot of reasons why I save at Wachovia.

For one, Wachovia hasn't missed an interest payment in 95 years. And my account is insured up to \$40,000. Where else can I get security like that?

Wachovia offers the highest interest the law allows on a full range of savings plans. Plus the services of a Personal Banker to help me make sense out of them. What other bank offers me service like that?

Finally, Wachovia Passbook Savings still come with a passbook, so I don't have to wait for a quarterly statement to know exactly where I stand.

I guess that's it. Security. Service. Knowing where I stand. That's why I save at Wachovia. Maybe that's why you should too."
