## Our Daily Bread

by Pat Cunningham

Dear Ones, give yourselves unto the Lord, trust His every word. Work hard in winning souls for Him; you'll get your reward. False prophets are in the world today, deceiving many with vain hope; but we know that Jesus has eternal life, encourage everyone you know. Don't listen to words contrary to God's, but study everyday, and know the voice of Jesus, dear ones, He'll keep you in His way. Every good and bad work will come before God, to be judged and tried by fire; the work of the Lord is winning souls, Let that be your heart's desire. Matthew 7 Chapter

Praise the Lord! dear ones. Let us work while it is day, for when night come no man can work. We must be busy in winning souls for the Lord, spreading the good news everywhere. The Holy Ghost is our teacher and guide, and He will lead us into all truths. Brothers and sisters. I am giving you the way to salvation through the word of God. Ask Him and He will come into your heart, knock and He will open doors for you, love Him with all your heart. Stay in the word of God.

Any man that preach or teach any other gospel than that you have already received of God, let him be accursed. (Galatians, 1:8-9) May God keep your mind til next time.
