Speaking from a theme, "A Past to Remember - A future to mold", Congresswoman Yvonne Braithwaite Burke delivered the WSSU Founders Day message on September 28 in the Kenneth R. Williams Auditorium.

The black California Congresswoman said the demands and challenges of the 70's require an even more competent, more expert, more qualified black person and requires educated blacks in greater numbers.

A flurry of shots that were fired early Saturday morning into an apartment occupied by six people and into a car outside has resulted in the arrest of a young man.

At about 1:30 Saturday morning the apartment of Mrs. Mary Speaks of 4332 Grove Avenue apartment F was shot into. Shots were also fired into Mrs. Speak's car. Mrs. Speaks said her 17 year old son Dennis had just entered the apartment when she heard shots fired. She said as her son looked out the window a shot was fired at him. The window was shattered and buckshot poured into the home.

Danny Lee Mabe 21 of 4210

Mineral Avenue was arrested Tuesday morning and charged with discharging a firearm into an occupied dwelling and miscellaneous injury to property (an automobile).

Mabe, who sources say is an associate of the Ku Klux Klan was identified by Mrs. Speaks son Dennis. He was placed under \$7,000 bond.

Speaks said he saw two men run around the apartment with guns after the shots were fired. The other gunman has not been identified. Both 16 and 12 guage spent shotgun shells were found outside Mrs. Speaks apartment.

Charges have also been filed against Dennis Speaks. It was learned he has been charged with assault on Roger

Gaither, a young white on September 20.

The trouble is said to be a result of earlier confrontations at bus stops in the area.

This trouble was reported to have cleared up but last weeks incidents point to the contrary.

While in the neighborhood on Tuesday night Sept. 30 this reporter noted that black residents had prepared to defend themselves from what they called "Klan attacks."

Residents stated that whites were entering the area each morning about 1:00 and firing shots.

They stated that on Sept. 19 three young black girls had been shot at four times in the area. It was stated that over the last week more than 20
