Our Daily Bread

Praise the Lord dear ones!
 Let us continue- St. John 1st
 Chapter 6th Verse ---

Before John was born, an
 angel of the Lord told
 Zacharias that his wife would
 conceive and bear him a son.
 His prayers had been
 answered. His wife was old in
 age, but God has the power in
 His hands to open the womb.
 Praise God! St. Luke 1: 1-25
 7th Verse---

John was born six months
 before Jesus in order that he
 may bear witness or tell of the
 coming savior. This was his
 purpose in life, to baptize with
 water and make way for Jesus.
 St. Luke 1: 26-80

8th Verse---
 John made it clear that he
 was not the Christ or Savior,
 as some wanted to believe, but
 that he was only sent to speak
 for Jesus and to prepare the
 way. The Acts 13: 25

9th Verse---
 Jesus is the light of the
 world, in Him there is truth.

Those that walk and live in
 sin, do so because they do not
 know Jesus, and have not
 been brought to the light. You
 can never be in darkness with
 Jesus. He lights the way for

every one that come to Him. I
 John 1:5, St. John 8:12
 10th Verse---

Jesus lived in this world
 thirty and three years. He
 made it and everything in it
 and yet the world didn't even
 know Him. His own (the Jews)
 rejected Him, crucified Him,
 scourged Him - they knew
 Him not. He came to save
 them first, but they turned
 Him down, to go on in their
 own self righteous way. Praise
 the Lord! The Acts 2: 22-39
 11th Verse---

Jesus came first to the Jew,
 but they rejected Him and sort
 ways to kill him. They are still
 God's people but the gospel
 that they should be preaching,
 we (the gentiles) are doing it
 until again the time of the
 Jews. The Acts 2: 22-39 Praise
 God for Jesus. We'll continue
 next week. Please read the
 scriptures with your heart and
 believe the word of God.

May God keep your mind til
 next time.

The Personality That People Admire

Continued from Page 8

dancing. The man who can't
 dance just doesn't count with
 me."

16. **Dependability.** "Give
 me a man that can be
 depended on. Most of them
 can't."

17. **Seriousness of purpose.**
 "The girls I know like a fellow
 to have a serious side to his
 personality. Life is pretty grim
 sometimes and all our
 problems can't be solved with
 wisecracks and light conversa-
 tion."

18. **Generosity.** "Nobody
 likes a tightwad. Even though
 a girl isn't a gold digger, she
 likes a fellow to take the
 padlock off his pocketbook
 once in a while."

19. **Good morals.** "Regard-
 less of all the vulgar jokes and
 stories that get around, girls
 to admire a man who has a
 high standard of personal
 morality."

20. **Ability to mix socially.**
 "I feel at ease when I have a
 date with a fellow who is a
 good mixer in society."

21. **Clean-mindedness.**
 "Believe it or not, girls (at
 least the ones I know) don't
 like dirty jokes. We laugh at
 them because we don't want

to be considered too dumb or
 naive to catch on, but we still
 prefer the fellows who are
 clean-minded."

22. **Broad-mindedness.**
 "Women like a fellow who
 isn't too narrow-minded and
 prudish."

23. **Adaptability.** "Perso-
 nally, I like a fellow who can fit
 in with all sorts of crowds."

24. **Handsome features.**
 "To me, good looks aren't
 everything, but you can't
 blame a girl (other things
 being equal) for preferring the
 nice-looking fellow."

25. **Good physique.** "We
 still like broad shoulders and
 big muscles."

26. **Culture and refinement.**
 "You can generally tell what
 sort of home a fellow comes
 from by the way he acts. We
 don't use the word culture
 very much among ourselves,
 but I know that women like a
 certain amount of it in men."

27. **Good education.** "A
 certain amount of general
 knowledge is important in
 personality. I don't care
 whether a man gets it from
 college or from his own
 reading, but I admire a man
 who knows something."

28. **Ability to hold a job.**
 "Girls are pretty practical and
 they like to know that a man
 can earn a living."

29. **Poise.** "I like the kind of
 poise that makes a man look
 noble."

30. **A liking for sports and
 athletics.** "It's taken for
 granted that men today should
 show an interest in things like
 baseball, football, etc."

31. **High ideals.** "There is a
 quality in men I like that I find
 it hard to express. I think the
 term "high ideal" is as near
 as I can come to it. It is the
 opposite of vulgarity and
 cheapness and selfishness. To
 some people this may sound
 corny, but nevertheless that's
 the way I feel about the
 matter."

32. **Truthfulness.** "I hate a
 man who doesn't tell the
 truth. You like to feel that a
 man's word can be depended
 on."

33. **Frankness.** "A certain
 amount of frankness is
 desirable."

 viewed were ages 21 through
