Try Armour's TesTender . . . you'll like it! FOOD TOWN makes no bones about it . . . we've got it . . . you need it . . . a tender piece of beef. The government can grade and label it all day long: PRIME, PRIME, PRIME . . . but they can't label it TENDER. FOOD TOWN CAN! FOOD TOWN has Armour's TesTender Beef and that makes us special. FOOD TOWN's Armour TesTender beef is electronically tested for tenderness, and if it doesn't register tender it goes to someone else. It is not tenderized with salt, enzymes, or any other tenderizing treatment. If the beef isn't naturally tender, then it isn't Armour TesTender. Armour TesTender Beef is guaranteed tender, every cut, every bite, every time . . . or **DOUBLE YOUR MONEY BACK**. What do you have to lose with Armour TesTender? LFPINC (Lowest Food Prices In North Carolina) means MEAT, too.
