### July 4 Bell Ringing Set

Mayor Franklin R. Shirley has called on the Winston-Salem community to participate in a nationwide ringing of bells for two minutes at 2 p.m. Sunday, July 4.

“Throughout the country, communities, churches, schools, fire and police departments, universities and individuals will toll bells and carillons in conjunction with the Liberty Bell's ringing in Philadelphia,” Shirley said.

“The time selected is exactly 200 years from the precise moment when the famous bell proclaimed independence for the new nation.”

Radio and television stations are being asked to broadcast the sound of bells during the two-minute period, in cooperation with the Winston-Salem/Forsyth County Bicentennial Commission and the American Revolution Bicentennial Administration.

## Group Vows To Fight For Lower Rates

The Carolina Action Committee announced its statewide legislative Utility Reform Campaign Wednesday during a meeting at the ESR Senior Citizens House on Patterson Avenue.

Mrs. Pat Ryan, a volunteer of the organization stated that the group was fed up with paying skyrocketing electric bills and facing an unresponsive Utilities Commission.

“We are taking Lifeline and Fair Share rates, our two utility reform bills, to the candidates this fall,” she said.

Continuing, she stated, “this way, we can elect representatives who support utility reforms in the 1977 legislature.”

Mrs. Evelyn Terry, director of the Problem Center for the Experiment in Self-Reliance told the group that in March of this year, Duke Power had issued a statement along with their regular electric bill which stated that a person would have to pay a one per cent late charge.

“This was due to people paying extremely late, people writing checks which were not good and other reasons,” she
