NOTICE TO THE PUBLIC
The public will take notice that The Redevelopment Commission of Winston-Salem will entertain proposals for redevelopment of, and sealed bids for the purchase of, the following described real estate:

Being a parcel of land located on the west side of Trade Street between Second and Third Streets and being further known and designated as Parcel 127A.

Being a parcel of land located on the north side of Belevs Street between Claremont and Greenwood Avenues, and shown on the Property Disposal Map of N.C. Redevelopment Project R-59, which map is on file in the offices of the City/County Planning Board, Municipal Building, Winston-Salem, North Carolina, and also in the office of the Redevelopment Commission of Winston-Salem, 901 Cleveland Avenue, N.E., Winston-Salem, North Carolina.

This property is designated for commercial use.

Previous to filing bids for the purchase of the said property, any interested person or other legal entity must first file and secure approval of his or its proposed plan or redevelopment from The Redevelopment Commission of Winston-Salem. The proposed plan of redevelopment may include use of improvements located on the parcel. A five per cent (5%) cash deposit must accompany all bids submitted under the terms of this invitation and the property will be sold to the highest responsible bidder whose plan or redevelopment has first been approved by the undersigned Commission. All sales are subject to final approval by the Board of Aldermen of the City of Winston-Salem.

All bids may be rejected under the provisions of the General Statutes of North Carolina 160A-514, as amended.

Final bids under the terms of this invitation must be submitted no later than 11:00 a.m. on the 24th day of April, 1978.

Further information may be obtained at the office of the undersigned Commission at 901 Cleveland Avenue, N.E., Winston-Salem, North Carolina.

ALTERNATE ENERGY SOURCE
PRICE \$

NOW, Americans today may face higher taxes than ever as communities struggle to cope with high fuel costs. Fortunately, our oil companies are trying to develop alternative energy sources, increasing competition in those fields and, it is hoped, helping to hold down energy prices.

At Flow Motors
When you go that extra mile to us...
We'll go that extra mile for you.

Actually, we'll go a lot of extra miles to sell you a car. By that we mean we'll make a lot of extra effort to deliver the kind of car you want, with the kind of deal you can afford. And we offer the kind of service after before we can sell you on our service department. We've got to sell you one of our cars. When you go that extra mile to us it doesn't cost. It pays.

If you can afford a \$395 down payment or equivalent trade you should take a look at these cars.
