Rho Zeta Chapter Holds Local Meeting

Rho Zeta Chapter of Zeta Phi Beta Sorority, Inc. met on Tuesday, November 14 at the residence of Mrs. Leola F. Sadler. With Mrs. Edythe Williams presiding. The sorors presented and endorsed future plans for the sorority. Those making reports included Mesdames Sylvia Caldwell, Helen Gibbs, Gladys Morrison, Cheryl Hope and Gwen Ashley.

In keeping with the purpose of the International service organization, it was proposed and agreed that the chapter will continue its contributions to scholarship funds, services to the Continuing Education Program of the Winston-Salem / Forsyth County Schools, and the donation of books to the O'Kelley Library at Winston-Salem State University. These books, as in the past, will be written by black women.

An additional financial contribution of \$500.00 will be presented to the scholarship fund named in honor of the late Soror Pearl Anna Neal. This scholarship was established at the Boule held in Houston, Texas during August. The late Soror Neal was a Founder of Zeta Phi Beta and was a member of Rho Zeta Chapter. All chapters throughout the United States and in Africa will contribute to this fund.

Magic Show Caps Book Week

by Yvette McCullough
Staff Writer

In observance of "Children's Book Week in North Carolina" (Nov 12-18) magician Richard Spainhour appeared at the East Winston Library last Friday. The observance was proclaimed by Gov. James Hunt and was observed in schools and public libraries across the state. Richard Spainhour entertained the audience with his combination of magic and word usage to parallel his performance to book week.

"Books and magazines can light up your life," Spainhour told the audience full of boys and girls "Learn to read." Spainhour's magic act included the magic wand or "fufu stick" as he referred to it. He also turned loose rings into necklaces, had balls disappear and the favorite of the show he made a rabbit appear from a chalk drawing.

The use of scarves was dominant in his act. His scarves disappeared, tied themselves into knots, changed colors and then back again. One magic trick included the scarf as

the great escape artist Harry Houdini. A pink scarf (Houdini) was put between two green scarves in a jar. Like the great escape artist he was the pink scarf somehow escaped from between the two green scarves out of the jar. Adding a new dimension to his magic act the use of table salt. "Salt is the magic formula, so that my fingers won't fall off," Spainhour said. Whenever he needed help with an act he would put salt on his fingers and the act would work.

In addition to Spainhour's magic show Friday, the library celebrated book week the entire week. During the week, the library showed Curious George Filmstrips, to introduce a new series of books, and showed a feature film, titled, "The Fable" which starred Marcel Marceau. The Urban Art "Art Is" entertained with music and dance, and the library also had a puppet show by the children's outreach.

Also as part of national book week, between 75 and 100 children received library cards at the East Winston Branch.
