Children from families whose income is at or below the levels shown are eligible for free or reduced price meals. Application forms are being sent to all homes in a letter to parents. Additional copies are available at the office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year. A statement of income and family size is required, plus a signed certification by the parent, guardian, or other adult household member that the information provided is correct.

Under the provisions of the policy the principal of each school will review applications and determine eligibility. If a parent is dissatisfied with the decision of the determining official, he or she may wish to discuss it with the official on an informal basis. If a parent wishes to make formal appeal, he or she may make a request either orally or in writing to Mr. Palmer-Friende, Associate Superintendent, P.O. Box 2513, Winston-Salem, N.C. 27102 (telephone: 727-2013) for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

If, during the year, a family member becomes unemployed or if the family's size or income changes, the family should contact the school. Such changes may make the children of the family eligible for additional benefits, if the family income falls at or below the levels shown.

All children are treated the same regardless of ability to pay. In the operation of child feeding programs, no child will be discriminated against because of race, color, or national origin.

Each school, the Cafeteria Office, and the Department of Business Affairs has a copy of the complete policy, which may be reviewed by any interested party.
