"Waiting"

I see love in you,  
I see love in me.  
Why can't our love  
for one another be?  
Is it time you need?  
Do I have to plead?  
Must I wait an eternity?  
for our love to become a reality?  
Must I wait a day or must  
I wait a year?  
No matter how long I wait,  
to me you will always be dear.

WEEK OF: MARCH 1, 1984

From Page A1

A: Since the first Klansmen donned their robes in 1866, Klan numbers have gone up and down.

In the last 10 years, the numbers have grown from about 1,500, the lowest point in Klan history, in 1974 to about 12,000 today, according to U.S. Department of Justice and Anti-Defamation League statistics. The membership roll peaked in 1925 with an estimated 4-5 million Klansmen nationwide. From 1961-65, their numbers ranged between 35,000 and 52,000, and declined until 1974, when they started to pick up again.

As for the second part of your question, we can't say for certain, though we would guess that the number of Klan members in our state has grown, especially in light of the fact that the state Justice Department reported a high number of Klan-related incidents last year. Iredell County alone reported more than 30 Klan-related incidents in 1983. Forsyth County has reported only five cases of public Klan activity since 1979, none violent in nature.

No doubt you are familiar with the Nov. 3, 1981 shooting deaths of five anti-Klan demonstrators in Greensboro. The nine Klansmen and Nazis charged with the deaths are on trial in Winston-Salem.
