

WE HAVE A CURE FOR THE BLAHS!

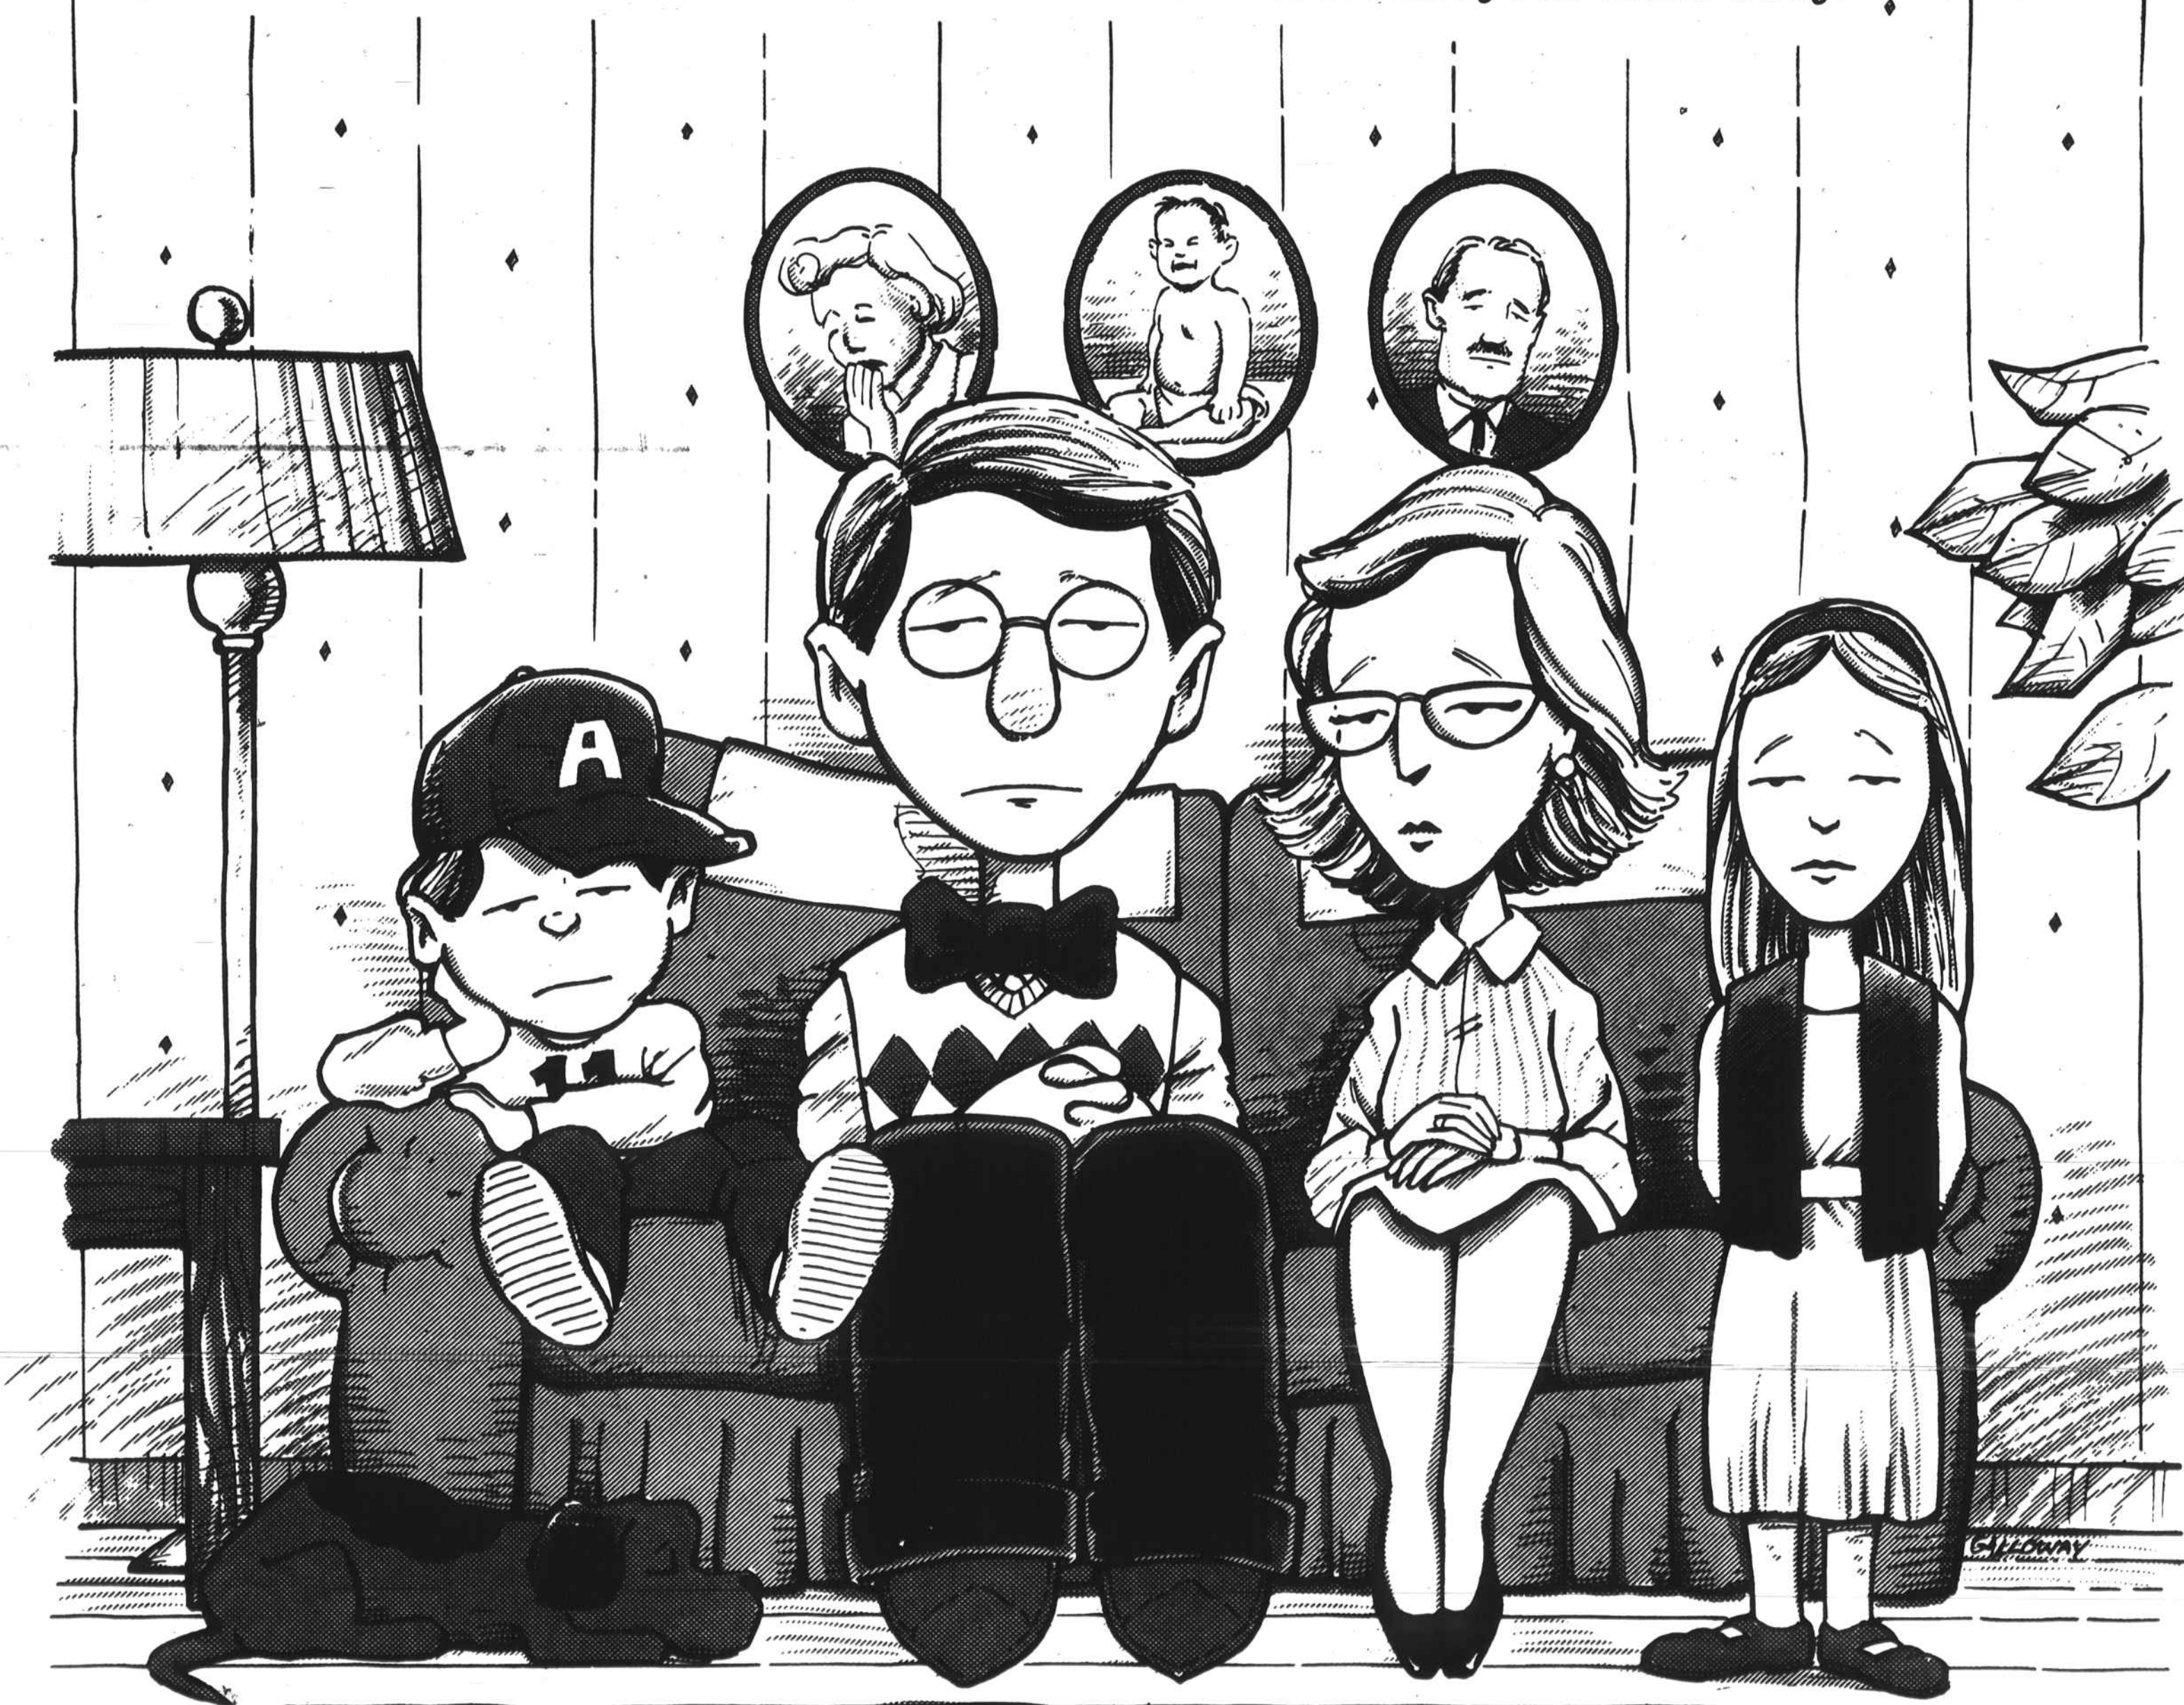

There's only a certain amount of excitement in this world, and we've got most of it. Entertainment Plus, HBO, Showtime, Cinemax, and the Disney Channel.

Let Summit Cable Services entertain you. From March 12-18, we're offering free installation and special gifts to anyone who signs up for Summit Cable Services at Hanes Mall

Home Expo '84. While you're there, register for a year of free cable, no purchase necessary.

Bring your manual converter to the show, and see our remote converter demonstrated. Once you see it, you'll want to take one home.

Visit Summit Cable Services in the Center Court of Hanes Mall during Home Expo '84. We'll blast your blahs away.
