"Walking"

Walking helps your body
Walking helps you move.
Walking gives a tingle
Right down in your shoe.

"Lucky Me"

Lucky me, lucky me
Can't you see all the things in me!
Running, jumping up and down,
you can't see the children frown.
You can watch them when they play.
You can watch them when they play.

"The Master's Hands"

The earth is full of glory
Shaped by the Master's hands
With splendor and exuberancy, the trees, grass
and flowers dance.
Such works of art as seen in you and I
can't be matched,
No, not with all man's wisdom or facts.
For, it was with the Masters' mind
that man's total being was conceived.
Surely with his heart he must believe,
that, because of the Masters' hands, the universe exists....

"Peace"

Worldwide peace,
something this world has never known.
They crucified Jesus,
knowing he was their very own.
Nevertheless, his spirit still dwells with us
today.
That is, to those who have accepted him and
don't want to go astray.
He will abundantly give, yes, peace, joy and
love you will feel.

concert. The local sponsor, R.H. Barringer Distributing Co., has guaranteed a minimum contribution of \$5,000 to Winston-Salem State.

Prince's 'Doves' Flies

Prince's "When Doves Cry" has become the 24-year-old's first

single to go number one on three charts simultaneously.

The single -- the title track from Prince's upcoming feature film "Purple Rain" -- is topping the pop, dance and R&B charts.

Incidentally, a few weeks ago, Prince's "When Doves Cry" became the fastest-selling single in the history of Warner Brothers Records. The song sold nearly 400,000 copies in its first week on the charts.

Beating the Beatles

The opening dates of the Jacksons' Victory Tour in Kansas City, Mo., nearly tripled the previous record for the largest concert crowd in the history of the city. In three nights, the Jacksons attracted 135,000 fans, decidedly shattering the previous record established by a concert featuring not one, but three

headliners -- Peter Frampton, Styx and the Steve Miller Band -- in 1977. The Frampton/Styx date drew a crowd of 57,931.

Most significant is the contrast between the crowd attracted by the Jacksons' dates and that drawn by Kansas City's biggest musical visitors ever -- The Beatles. In September 1964, the Fab Four played to a crowd of 20,280. The Jacksons attracted nearly seven times that.
