**LA GUARDIA**

*\*Off-peak fare. \$75 peak fare.*

This winter, if you fly Piedmont to New York, you're going to fare very well for yourself. We've taken our peak-hour prices, good one way on all nonstop flights, and dropped them lower than they've been for a long, long time.

We've dropped the prices even lower for off-peak flights, on weekdays after 7:00p.m., and all day Saturday and Sunday.

So whether you're flying to LaGuardia or Newark, just give us a call. Or call your travel agent. Call soon because these wintertime fares end March 15, 1985.

And it's not often you can fly to the Big Apple for such small potatoes.
