"Name It -- And I've Had It"

To mention what I have not had is not important
 But I've had some dark nights and some bright days.
 I've had sickness and I've had health
 You name it -- and I've had it.
 I've had failures and also success,
 I've had the worst, and I've had the best.
 You name it -- and I've had it.
 My life has not always been joy
 I've had the bitter and the sweet
 The good and the bad, I do admit
 But now, I have the victory!
 Because I have Jesus!
 Now I can really say: You name it -- and I've had it,
 Because now I know I have it all!

"That Beat"

That beat, that terrible beat
 Stuffs the ear and bars the mind
 So it can't hear
 God's voice

That beat, that terrible beat
 Beats up the emotions
 Then clouds the mind
 Into the gear of slow motion

That beat, that terrible beat
 I've heard it somewhere before
 Could it be the heartbeat
 Of Hell?

"Weightwatcher's Valentine"

My love sent me a candy bar
 I only took a bite
 It churned inside my belly
 I tossed and turned all night
 That good ole chocolate candy
 Made my body swell
 I floated on the water
 Became bigger than a whale
 So every year on Valentine's Day
 My lover now sends me steak
 No candy hearts
 Or sugar bear bars
 Not even a Valentine's Cake.

"Eternal Life"

Dark clouds hanging over me
 Just leave me alone...
 'Cause I know someone who's higher than you
 Who can say "go," and all troubles be gone.
 Hard times keep a-knocking at the door
 Don't bother me any more...
 'Cause I know something greater
 Than I've ever known before.
 Shoo! Get away, dark mysterious night...
 'Cause I know someone greater who can make everything
 all right.

Great heartbeat of mine, keep on beating...
 'Cause I know someone who will be sitting
 At the right hand of the throne
 To judge the right and the wrong.
 Oh! Mighty One -- how great is He
 To give His Beloved Son to you and me.
 That we may have eternal life
 And overcome this world of strife...
 'Cause darkness does not last forever.
 The angel of light shall come and sever
 The good and evil from each other
 And we shall live as sisters and brothers...
 'Cause we shall have eternal life.

A thought: The church is the only place where dead people complain.
