OUR REPUTATION IS SAFE IN OVER 20 MILLION HOMES

BY TOYOTOMI

Toyostove and Kero-Sun are the best known names in kerosene heating. Both have world-wide reputations that have earned them membership in over 20 million homes around the world. And it's not a coincidence, both are made by the same company—Toyotomi. So if you're looking for a solution to the high cost of heat, look at either Toyostove or Kero-Sun kerosene heaters. Both have a reputation you can be comfortable with all winter long.
