

UNCF Month

Mayor Wayne A. Corpening recently issued a proclamation making December United Negro College Fund Month in Winston-Salem. The proclamation was made in honor of the Lou Rawls Parade of Stars Telethon, which will be held Saturday, Dec. 27. Pictured, from left, are Michael A. Grace, general co-chairman; Carolyn Strickland, matching gifts chairman; Marilyn Baldwin, executive producer, and Dr. Charlie Kennedy, honorary chairman (photo by Harden A. Richa).

Hazing

From Page A13

The episode lasted about 90 seconds. "No physical hazing took place. No racial slurs occurred," the disciplinary board concluded.

The official version from Citadel documents differs from some news reports two days later, which quoted a Citadel spokesman as saying that the cadets began making "racial slurs." Later stories erroneously reported that the cadets burst into the room shouting racial insults, brandished the partly burned paper cross, or set fire to the cross in Nesmith's room.

"TOO TIME-CONSUMING AND TEDIOUS." That's what his peers say about the time and care he spends making his special jewelry. But, lucky for him, he's not out to please his peers, just himself and his customers.

At Jack Daniel's, we feel the same way. We're bent on giving you the best whiskey anyone can possibly make. That's why we take the extra time to mellow our whiskey the slow, old, Tennessee way.

Experience, first hand, how time and care make the taste of Jack Daniel's Whiskey as good as gold.

It takes time to be the best. Jack Daniel's.
