## Smokey Robinson joins WSSU's Crosby team

An avid golfer since his high school days, legendary R&B artist William "Smokey" Robinson will be a part of the Winston-Salem State University team at this year's Crosby Celebrity Golf Tournament.

Robinson will join Lewis Roland and Harry Rutter, winners of the 1992 Bighouse Gaines Spring Classic, to compete in the celebrity golf tournament June 4-7 at Bermuda Run.

Robinson has been singing and writing songs since he was 13 and he and a group of junior high school friends joined to form the Miracles. The group performed in their hometown Detroit during high school but it wasn't until Robinson met local record producer Berry Gordy that they decided to pursue professional music careers.

Robinson's songs can be heard on movie and TV soundtracks and have earned nearly every award that

can be bestowed upon an artist/songwriter. Robinson has received the Grammy Award and has been inducted into both the Rock N' Roll Hall of Fame.

"To be able to earn a living making music — the thing that I love most about life — is wonderful," says Robinson, who recently released a new album. "And to be able to continue to last through so many years in this business, still feel great about it and begin again

recording for a new record label, I feel like I'm truly a blessed man."

This year marks the third year that Winston-Salem State University has fielded a team in the Crosby. Last year, the university's celebrity guest was Johnny Mathis; the first year, it was Fred deCordova of *The Tonight Show* fame.
