St. Aug's Antonio Pettigrew is priming himself for a spot on the '92 U.S. Olympic team that compete in Barcelona this summer.

Peters, Allan Seward) by a scant .01 for third place.

The Falcons captured the 4 x 400 as expected (3:06.79). Pettigrew and Hashan teamed with Chris Coleman and Emmanuel Noudewo to win by a comfortable margin.

The short sprints and high hurdles didn't produce any national champions from black colleges, but teams still picked up valuable points. SAC's Jackson was third in the 100 (10.48) and 200 (20.98). JCS's Johnson placed fourth in the 100 (10.56) and A&M's Marcus Bennett ran 21.15 in the 200 for fourth place. In the high hurdles, Marvin Ricks of Norfolk State finished sixth (14.47) and Seward of A&M was seventh (14.54).

In the field events, black colleges enjoyed far more success than they did on the track.

This was evident in the long jump. Seven black collegians made the final eight. J.C. Smith's Marion Robinson sprung a 26-3 3/4 leap on his first attempt and that proved to be good enough for the gold. Rounding out the LJ field were: Kentucky State's Mosai Troutman (second @ 25-8 1/4); Norfolk State's Michael Morris (third @ 25-8); SAC's Gray (fourth @ 25-6 1/4); SAC's Mark Mason (fifth @ 24-11 3/4); Hampton's

Leslie Morgan (seventh @ 24-4 1/2); and SAC's Coleman (eighth @ 24-4 1/4).

The monopoly continued in the triple jump, an event that had four black college athletes finishing among the top five. St. Aug's slurped up the points thanks to Emmitt Higgins who triumphed at 51-6 1/2. Teammate Coleman was next in line with a 50-10 3/4 for second place. Hampton's Thomas Brown ended up in fourth place (49-11 3/4) and Carl Mack of Morehouse was fifth (49-6 1/4).

Falcons high jumper James Shelton reeled in another gold medal when he emerged as victor in his battle against Cal State-LA's Chris O'Neill-Olsson. Shelton, who also won the indoor HJ title, wrapped things up with a 7-0 1/4 effort. Olsson wasn't far behind at 6-11.

Burnice Cross delivered more points for SAC with his fourth place finish in the discus (169-0).
