What Good Is Owning A House If You Can't Get The Money To Repair It?

A leaking roof, bursting water pipes, or rotted porch can take the fun out of owning a home. Especially when you have to borrow money to fix it.

But here's some good news.

If your household income is less than \$27,500, you may qualify for our special Home Improvement Program, which lets you borrow

up to \$15,000 for major repairs and improvements at a low interest rate. You even save on things like the appraisal and credit report.

Because this is a Tax Advantage Loan, you can also deduct up to 100% of the interest. So apply for a home improvement loan at Southern National. It's the smart way to keep your home looking good.
