

THERE ARE 2 SIDES TO EVERY STORY

And there are two sides to the Nabisco Foods Group business in the Piedmont Triad – the Planters and LifeSavers Divisions.

The Planters Division is nuts . . . about nuts. With complete lines of cooking, baking and snacking nuts, we have nuts for every occasion, and they're always delicious. Mr. Peanut guarantees it.

The LifeSavers Division gives consumers a taste of the good life with top-selling brands like Life Savers candies, Life Savers Holes, Breath Savers Sugar Free Mints and Care*Free, Bubble Yum and Fruit Stripe gums. We make life a little sweeter.
