

## Just for Mother's Day...

**WHAT DOES "MOTHER" MEAN?**

*How often has this question really entered your mind: What does my mother mean to me? What answers did you find? God made her in His likeness, this answers it so true, Unselfish and so willing to do anything for you. Always she will be there with love inside her heart, So willing for a chance to give and do more than her part. She's caring, kind and thoughtful, a faithful, loyal friend, Who'll see you through all troubles up to the very end. She is protector and provider, she's guardian and guide, And someone you can count on to be always on your side. Forever she is present to answer every call, Through heartaches, pain and sorrow, she's there to comfort all. She is too rare and priceless to be either bought or sold. She's worth more than a diamond, more valuable than gold. So whenever you're available, and whenever you are near, More often hold and say to her, "I love you, Mother Dear." For all of us, the children, we have been truly blest For God has not only given us His finest and His best, He has given us the closest and second best to Him Who's of the higher quality and rarest of all gems. And in her we have everything instilled in one, no other. Who can fulfill His purpose more completely than a mother.*

### Mothers Day Prayer

**Dear Heavenly Father**  
You have said through your prophet  
"As one whom his mother comforts, so I will comfort you"  
I thank you for your infinite love,  
which so exceeds human understanding,  
that to make it more real to me  
you compared it with a mothers love for her child.  
On the strength of this assurance, I know that I shall have  
your constant guidance, help, support and protection.  
On this day set aside to honor mothers, I thank you especially  
for the gift of Christian mothers.  
Bless them always.  
Give them grace to set a good example for their families.  
Make them constantly aware that their children  
are a sacred trust from heaven.  
Hold your protective hand over them,  
And give them strength for every job,  
courage for each triumph.  
And trust in you that each day grows stronger.  
I thank you particularly for the gift of my mother  
and for her love, which has comforted me.  
I ask you to help make me worthy of it.  
May I never do anything that will grieve her heart.  
May I always follow the path that she has charted,  
the path which leads to you.  
Guide our footsteps that we walk with the love of Jesus  
who set an example by his love for his mother.  
This is our prayer in his name

— Amen
