

Piggott Receives Honors

Dionne Piggott, a junior honor roll student at Carver High School, has had a successful academic year.

She was nominated for Governor's School, a six-week program of intense scholarly study on the campus of Salem College. She received the honor of chief junior marshal, awarded to the junior student with the highest academic average of the class. The honor gives her the privilege of escorting the graduating class at its commencement exercises. She was also selected to participate in a Minority High School Student Research Apprentice Program at Bowman Gray School of Medicine under the mentorship of Dr. Inglis Miller Jr. in neurobiology and anatomy.

In addition, Piggott continued participating in three sports at Carver. She will play tennis in the fall, playing in the number-two position. She also plays basketball and softball. She opened this year's

season with a grand slam, but injuries prevented her from completing the season. Last month, Piggott won a Most Valuable Player trophy in tennis and a co-Most Valuable Player trophy in basketball at the school's athletic awards program.

She is also a member of the National Honor Society, the Spanish Honor Society and Vision '94.

Piggott is active in her church, New Bethel Baptist Church, where the Rev. Jerry Drayton is pastor. She is the Youth/Young Adult chairperson, where she presides over youth activities, and is president of the Youth Choir, a member of the Junior Missionaries and on the Nursery Committee.

Piggott is also active in civic activities. She is a team player in the AAU girls' basketball league at Winston Lake Family YMCA, where she plays for the Winston Lake Lakers.

Piggott plans to follow a career in pediatrics. She participates in the Medical Explorers, a scouting experience at the Bowman Gray School of Medicine, under the auspices of the Old Hickory Council. She is secretary for the Medical Explorers.

She will be president of the student body at Carver High School next school year.

She is the daughter of Mr. and Mrs. Daniel Piggott of the Ebony Hills community.

Exercise Caution When You Exercise

Exercising is certainly good for your health, but it can also be hazardous to your health if it causes you to become a crime victim. Forsyth County Sheriff Ron Barker said. He offers these tips that can help prevent your becoming a walking crime statistic:

- Avoid walking or jogging alone at night. The common adage that there is "safety in numbers" applies even on the streets of your own community at night.

- Avoid running or walking on dimly lit streets, and stay out of alleys. Don't use remote or little-traveled shortcuts.

- Stay in the part of the sidewalk close to the street and away from shrubbery, trees and doorways.

- Always wear reflective

clothing at night.

- It is advisable for women to carry whistles or other noise-makers to sound loudly if accosted.

- Lastly, we always advise anyone out walking, jogging or bicy-

cling to carry proper identification with them," Barker said. "This should include your current address, phone number and person to notify in case of an emergency anytime you are away from your home."
