

Your ground strokes will be stunning,  
you'll improve your overhead  
and your net gain will be awesome.

Always wear your seat belt.

Whether you're on court or on the road with Chrysler New Yorker you'll have a winning strategy that says power, luxury and elegance.

The unique "cab-forward" design is a stroke of genius, giving the New Yorker a truly comfortable and spacious interior. What you net out on the road, is precise, stable handling. Add to that four wheel independent suspension, and the twists and turns of your travels will seem a lot straighter.

Add power to your game with a 24 valve, 214-horsepower engine and you're ready to roll out in world class style. Besides the excitement of own-

ing the New Yorker, you'll find that when you put it all together from the ground up there are no limits to an exceptionally great performance. For more information, call 1-800-4-A-CHRYSLER.
