**The Gate City Duplicate Bridge Club's Christmas**

**The Nationwide Super Open Pairs will be held Friday, Dec. 17 at the Dudley's Cosmetology University. Dinner will served at 6 p.m. and the game will begin at 7:30 p.m. All bridge players are cordially invited to participate in this big event. This will be the culminating bridge activity for 1993, so let's take advantage of this opportunity prior to Christmas. It promises to be a "super experience!" We hope to see you there!**

The month of Nov. was a record-setting month for the Monday games. Five games were played and ninety-four players participated. Receipts exceeded the previous high. We have had a very successful year and expect this participation to increase in 1994. Thanks for the cooperation of those who have been supportive in this venture!

## Forsyth Tech Offers Basic Skill Classes

"Success Comes in Cans" is the motto of the HAWS and Forsyth Tech's Educational Programs. Forsyth Tech has conducted classes in Happy Hills, Piedmont Park, Kimberly Park, and Cleveland Ave. Homes for over six months to help residents get their GED, learn to read, or just brush up on their skills before they tackle college.

Classes are offered twice a week in the Housing Communities Resource Center for area residents. Ten to 20 students usually fill the classes each quarter in each of the four location. The key to success, says McCoy, has been the Resource Center Coordinators who recruit and help the students past motivational and logistical problems. The classes are free, but many of the students need assistance with childcare and books.

The classes at Happy Hills and Piedmont Park, that Jeanette Miller teaches for Forsyth Tech, have
