

Now there's an alternative.

Opening Wednesday, March 20th

You're invited for a sneak preview into the future. Because now in Winston-Salem, buying a top quality used vehicle will never be the same again. With the opening of SmartCars: Modern's Used Car Superstore, you can buy with no hassle: prices clearly marked and fair market trade-in guaranteed.

Every vehicle is pre-inspected and warranty protected. All sales people are salaried, and trained to assist in computerized inventory selection and financing options. Shop over 70 vehicles in the showroom and hundreds more on the lot. Enjoy the alternative used buyers will appreciate most... no surprises.
