Dewayne Washington to host annual fund-raiser and golf tournament

SPECIAL TO THE TRIBUNE

DURHAM — Dewayne Washington, N.C. State alumnus and cornerback for the Pittsburgh Steelers, will host the annual Dewayne Washington Foundation Fund-raiser and Pairings Party April 7 at the Sheraton Imperial, RTP, and a celebrity golf tournament April 8 at the TPC at Wakefield Plantation.

This pre-golf tournament function gives guests and celebrities an opportunity to bid on auction items that include local merchandise as well as personal celebrity memorabilia. The 2002 Dewayne Washington Foundation Computer Award Recipients also will be recognized after the auction.

Last year, the foundation began awarding graduating high school seniors from Wake or Durham counties with computers to defray the costs of purchasing laptop or personal computers in college. At the conclusion of the evening, the foundation will announce the celebrity pairs for the golf tournament.

The fund-raiser, pairings party and celebrity golf tournament attract a host of NFL celebrities, including Steelers Jerome Bettis and Kordell Stewart. Other guests include Robert Griffith of the Min-

nesota Vikings, and Charles Johnson and Antwan Harris of the New England Patriots.

The funds raised from this annual event benefit the Dewayne Washington Foundation. The mission of the foundation is to provide educational, clinical, outreach and charitable programs designed to assist and supplement the efforts of young people. The programs are designed to educate, develop team-building skills, and illustrate the benefits of hard work and determination. The foundation is dedicated to building effective outreach programs involving professional athletes, collegians and community leaders.

Over the past six years, programs have included celebrity football clinics, monetary scholarships, toy drives, Christmas and Thanksgiving food drives, as well as motivational speeches at various schools and corporations throughout the community.

The foundation, established in 1996, is a nonprofit organization that was created by Washington because of his desire to give back to the children in Wake and Durham counties. Washington was raised in Durham, attended NCSU and later went on to be the 18th selection in the 1994 NFL Draft. He is in his fourth season with the Steelers.
