At the Modern Automotive Network we are proud of the high caliber employees that make up our staff.

## Meet Ronald Christie

Sales & Leasing Consultant - Modern Nissan

Ronald has always enjoyed looking at and learning about cars. In April of 2001, he came to Modern Nissan hoping to turn his hobby into a career. Over a year later, he still enjoys looking at cars, but enjoys selling them even more. His motto is, "Find something you really like to do and you'll never have to work again!"

Born in Newton, NC, Ronald spent approximately 20 years in Germany. Four of those years he served in the US Army, and the rest he lived as a civilian. Even when he was overseas, his Saturday afternoons were spent wandering automobile lots and looking at the different kinds of German makes and models.

Ronald believes that there is nothing else he would rather be doing than selling cars for Modern Nissan. He considers the staff and management here to be like family.
