At the Modern Automotive Network we are proud of the high caliber employees that make up our staff.

## Meet Harry Baylor of Modern Toyota

Harry has been with Modern Toyota as the New Car Coordinator, since Modern took over Bill Jackson Toyota in 1989. Harry is responsible for checking in the new cars as they arrive on the tractor trailer, examining them for damage, entering each car into inventory, and preparing the vehicles to be placed on the lot for sale. Harry has enjoyed his successful career at Modern.

When Harry is not working, you can usually find him officiating local basketball or football games. He works with all different age groups, from Pop-Warner up to college ball. Just recently, Harry was able to officiate a 3rd round game AND the State High School Semi-finals championship!

Harry has 2 sons, Dennis Stimpson who is in Korea serving in the US Army, and Harry Baylor III who lives with his dad in Winston-Salem.
