

Help Make This a **Wheely Wonderful Holiday** *bicycle built for you* **for Kids!**

FROM THE HANDS & HEARTS OF THE FORSYTH TECH MOTOR SPORTS CLUB

"A Bicycle Built for You" is a first-time project of the Motor Sports Club of Forsyth Technical Community College in cooperation with WXIX-TV, WMYV-TV and the Salvation Army.

Each Saturday from November 3 until December 8 skilled students at Forsyth Tech will repair and repaint donated bicycles and tricycles. During the holiday season, the Salvation Army will distribute the bikes to needy children in our community.

**How You Can Help**

Bring a used bike— any size, any condition—to one of Forsyth Tech's locations listed below. The last day to donate used bikes is December 8. The bikes will be collected and taken to Forsyth Tech's Main Campus to be refurbished.

If you don't have an old bike, you can purchase a new bike and drop it off at any of the locations below. The last day to donate new bikes is December 15.
