believe this simply because the Lord God Almighty said so. This Servant will not be like Saul (1 Samuel 9:2) therefore, many will ignore Him. He will be rejected, despised, and familiar with suffering.

Society sets standards for leadership but the Servant will not meet them! His purpose for coming is to bear humanity's sins and sorrows for forgiveness. The suffering experienced by Him is for all people! "Jesus' suffering is not only a means to satisfy God's Justice; it is also the model that love overcomes evil" (NIV Standard Lesson Commentary).

Taking on the sins of the entire world brings unusual suffering. Messiah is publicly humiliated, beaten, bruised and pierced in His side. His death is cruel and shameful. Yes, in the garden, He did pray to remove the cup, but before He finished, He declared not His will but the Will of God be done. When His time comes, there is no struggle or complaint

on His part. No one stands for or beside Him! He dies like a common criminal and will be buried in a borrowed grave. All of this is done to redeem humanity. This is God's plan for restoration! God will exalt His Servant because He shed innocent blood for the wicked.

**Application:** Just think for a moment about your sins. By all means, include those that we know nothing about. What type of punishment do we deserve? A whipping or being deprived of something we like simply is not enough! When we disappoint God, bringing Him a sacrifice doesn't seem to fit the bill either. Studying Jesus' sacrifice from a political, economic and moral perspective has to impact our attitude about God's love. Jesus shed His innocent blood for a wretch like me. Glory to God who loves us so much that He wants us redeemed back to Himself. Are you thankful for His love and care? Jesus suffered and died for humanity's state of wickedness. Hallelujah, for we are healed and restored.
