static, but progressive" (Hebrew-Greek Study Bible), implying ongoing growth. The term means much more than happy. It conveys the idea of "honorable or worthy of honor" (True To Our Native Land). Jesus sets the standard that believers must strive to fulfill. The poor in spirit are those who are helpless or the system simply ignores them. Not purely an economic term, it also covers the social standings. Those who mourn are the followers who are genuinely sorrowful for their sins.

Chefs to cook for charity

SPECIAL TO THE CHRONICLE

The Sixth Annual March of Dimes Winston Salem Signature Chefs Auction will be held Friday, Nov. 11 beginning at 6 p.m. at the Grand Pavilion in the Embassy Suites in downtown Winston Salem. This event pays tribute to the culinary excellence of local chefs, while raising significant revenue to help the March of Dimes in the fight to save babies.

Local chefs present their signature dishes in tasting size portions during a cocktail reception, which also includes a large silent auction. A live auction follows with packages that are created by the chefs.

This year there are 10 chefs/restaurants that have committed to the event: Joe Curran, 1703; Chris Fulk, Christophers 1776; Opie Kirby, Finnigan's Wake; Shane Moore, Foothills Brewing; Mark Grohman, Meridian; John Milner, Milner's; Phil Barnes, Noble's Grille; Jared Kelper, The District; March Grace Viado, Village Tavern; and Christian Froelich, WS Prime. The 2011 Honorary Chair is Dr. Donald deBethizy, CEO and President of Targacept. The 2011 Winston Salem Ambassador family - Matt and Stacy Petronzio will be sharing their story and how the March of Dimes saved the lives of their triplets, Sophia, Caroline and Gabby.

Table sponsorships are still available at \$1,000 and include a table of 10 seats. Individual tickets may be purchased up to the day of the event at \$125 per ticket.

The most urgent infant health problem in the United States today is premature birth. It affects more than half a million babies each year, and that number is growing every day. The March of Dimes is the leading nonprofit organization for pregnancy and baby health. With chapters nationwide and its premier event, March for Babies, the March of Dimes works to improve the health of babies by preventing birth defects, premature birth and infant mortality. For the latest resources and information, visit marchofdimes.com or nacersano.org.

For more information on the event or sponsorship and ticket opportunities, please contact Debbi Patterson at the March of Dimes office at 336-723-4386.

March of Dimes

Saving babies, together

The meek are the truly humble ones who rely on God for all things. This doesn't mean to sit on your stool and do nothing! The hungry and thirsty long for what is right in the eyes of God. In verse 7, the merciful are those who care about others.

The pure in heart continuously seek cleansing from God because there is no other way! The peacemakers live in this cruel violent world, yet they can reconcile opposing sides. They want the greater good for all. Finally, in verses 10-12, there are those who will face persecution (from family, friends, foes and the system) for following God. They will remain focused (on heaven) no matter what is set before

them. Great is their reward!

All explanations above come from the Hebrew-Greek Study Bible.

Application: The ideals presented here are lofty indeed. No one can attain them alone! We must strive to achieve them by the power of the Holy Spirit. True citizens of the Kingdom can not get caught up in this world.

One's reputation and "creature comforts" (True To Our Native Land) may have to be sacrificed to stand up for the righteousness of God. This lifestyle will go beyond the letter of the law to guide us in examining the "man in the mirror." Are you ready for this level of commitment?

"the most HEALING THING WE CAN DO IS Love ONE ANOTHER."
