## Endorses Mayor Allen Joines

His years as mayor and the decades he spent in city administration before he was elected **have earned him respect.**

**He has made inclusion** a key **cornerstone** of his leadership and has urged others, including local corporate leaders, to follow suit.

**Larry Womble**  
Former Representative  
North Carolina House

## Join Me In Supporting Mayor Allen Joines

I've personally known Allen Joines for many years. That is why I can honestly say he has done more to unite our community than any other mayor I can remember.

I have worked with Allen on numerous projects to bring jobs and new businesses to the eastern part of our city, make our neighborhoods safer and improve the quality of life for every resident.
