# VF Corp bikers raise \$1 million for MS research

SPECIAL TO THE CHRONICLE

The VF Corporation and Wrangler "Denim Riders," a bike team that participated in the 2014 Tour to Tanglewood to benefit multiple sclerosis (MS) research, has raised \$1 million.

Since its formation in 2001, the VF Corporation and Wrangler "Denim Riders" bike team has raised \$1 million in donations to the National MS Society. Funds raised are used by the Greater Carolinas chapter of the Society to support people affected by MS and fund research to create a world free of MS. The team will be recognized at the National MS Society's 2014 National Leadership Conference on Nov. 6-8 in Fort Worth, Texas.

"The Denim Riders and their ability to raise more than \$1 million for

MS programs is a great example of the passion VF associates all over the world have for enriching their communities and improving the lives of others," said Craig Hodges, director of public relations for VF. "We're happy to see them reach this significant milestone and are proud to call them our colleagues."

The "Denim Riders" is a bike team composed of men and women associated with VF Corporation and Wrangler, the title sponsor of this year's Tour to Tanglewood. The company has served as title sponsor of the event since 2010. The corporate headquarters of VF Corporation and Wrangler is located in

Greensboro and serves more than 30 consumer lifestyle brands and merchandise, including The North Face, JanSport, Nautica, and Timberland.

The most recent Bike MS event was held Sept. 27 and 28 at Tanglewood; the theme was Tangle Woodstock and more than 2,000 cyclists and volunteers took part.
